

*As Cyrano, amaze the crowd with your poetic genius and your speaker skills.  
Inspire Love to a couple, as Roxane and Christian, who will be in love thanks to your cheekiness.*

## Game components

1 notepad  
9 pencil

6 Rhyme dice

3 Theme dice

2 cloth bag  
(one for the Rhyme dice  
and the other for the Theme dice)

## Setup

Give a sheet and a pencil to all poets.

The hearts in the left margin will be used to count points. The remainder of the sheet will be used to compose your poem.

If more would be needed, you can write on the back of the sheet.

Place the dice in their respective bags and give them to the person of your choice. Cyrano would give them to the person who has the GRRReater nose!

## Theme dice

Die 1	Die 2	Die 3
Time that passes by, present, past, future	Fairy tales	Eulogy of the person on your left

This die has some divisive themes. You may remove it from the game when you play.
